PROFESSIONAL SUMMARY

Business intelligence and data analyst with 12+ years turning operational data into decisions at HD Supply, a Fortune 500 industrial distributor. Built the Power BI dashboard that surfaced \$8M in stalled orders and helped the business clear it within 30 days. Fluent in SQL, Power BI (DAX), and advanced Excel, with a proven record of KPI reporting, dashboard development, and cross-functional partnership. B.S. in Business Management (2026); Employee of the Year 2025. Seeking a Data / BI Analyst role where analytics drive measurable business outcomes.

CORE SKILLS

Analytics & BI: SQL · Power BI (DAX) · Tableau · Excel (advanced, PivotTables, Power Query) · KPI development · Dashboard design

Methods & Business: Data modeling · Trend & root-cause analysis · Forecasting · Process improvement · Stakeholder management · CRM systems · Microsoft 365

SELECTED ANALYTICS PROJECTS

- **Pending Order Dashboard (Power BI)** — Real-time dashboard surfacing stalled and pending orders by owner and required action; helped the team clear **\$8M in pending revenue within 30 days**.
- **Forecast Performance Dashboard (Power BI)** — Gave project coordinators visibility into forecast metrics and timelines, with automated 90-day follow-up flags and completion tracking.
- **Sales Analysis Dashboard (Power BI)** — Interactive, multi-dimensional sales reporting (year, month, region, margin, product, country) built for self-service analysis.

PROFESSIONAL EXPERIENCE

HD Supply — Fortune 500 industrial distributor 2013 – Present

Renovation Project Coordinator

2024 – Present

- Design and maintain operational Power BI dashboards giving leadership real-time visibility into project performance, workload distribution, and service metrics.
- Built the pending-order dashboard that surfaced **\$8M in stalled revenue** and helped the business clear it within 30 days.
- Analyze project and operational data to identify trends, bottlenecks, and process-improvement opportunities; deliver KPI reporting that informs leadership decisions and resource planning.
- Partner with operations, sales, customer service, and vendor teams to translate business needs into actionable reporting and standardized processes.
- Named **Employee of the Year (2025)** for leadership, initiative, and operational impact.

Renovation Project Specialist

2021 – 2024

- Maintained and analyzed project, pricing, and order data; tracked delivery performance, vendor timelines, and milestones to support operations.
- Produced stakeholder reporting and status updates using CRM and project-management systems; safeguarded data accuracy across orders, pricing, and documentation.
- Identified discrepancies and resolved issues affecting project execution and customer satisfaction.

Senior E-Business Representative

2018 – 2021

- Served as subject-matter expert for escalated customer and operational issues; supported leadership with workflow management and service-level performance.
- Trained and mentored new associates on systems, policies, and best practices; recommended process improvements that reduced repeat escalations.

Earlier HD Supply Roles — E-Business Rep, Customer Service Rep II, Customer Service Rep 2013 – 2018

- Progressed through e-commerce and customer-operations roles; processed online and email/fax-based orders with high accuracy, maintained CRM data integrity, and consistently delivered top-tier service quality.

EDUCATION

Bachelor of Science, Business Management — Western Governors University

2026
